NEVADA HISTORIC PRESERVATION FUND (HPF) THROUGH THE NATIONAL PARK SERVICE (NPS)

HPF SUBGRANTEE APPLICATION FOR 2015
Planning Proposal Only (Page 1 of 1)

1. **Applicant is proposing the following**
   (Indicate all that apply):

   ☐ **Planning Process Design and State and Local Plans**: Develop, conduct research on, design or carry out a planning process. Provide support for the development of a planning process design or other historic preservation or cultural resource management plans at a regional or local level.

   ☐ **Planning Studies, Historic Contexts, etc**: Develop, gather, and analyze data used to develop planning studies, including historic contexts, theme studies, issues analyses, questionnaires, forecasts of social, economic, political, legal, environmental, and other factors that may affect historic preservation.

   ☐ **Ordinances, Regulations, Standards, etc**.: Develop, or providing support for the creation of ordinances, regulations, standards, and guidelines that support regional or local plan goals.

   ☐ **Advanced Planning Technologies**: Develop, purchase, adapt, or implement advanced planning/computer technologies and applications to further comprehensive statewide historic preservation planning program goals [e.g., computer mapping and analysis technology such as Geographic Information Systems (GIS)].

   ☐ **Printing of Plans**: Print and distribute plans, planning studies, ordinances, regulations, guidelines, or similar documents [e.g., design review standards].

2. Please describe the project and final products and quantities that will be produced. If necessary, please use a 'Continuation Sheet' and check box ☐.
