

## Notice of Virtual Public Meeting Access and Agenda Anaconda Copper Mine Site

The Nevada Division of Environmental Protection (NDEP), Bureau of Corrective Actions and Bureau of Land Management will hold a **virtual public meeting** on Tuesday, December 7, 2021 from 6:00pm to 7:30pm. The virtual meeting will be provided on a Lifesize virtual meeting platform, which will allow the interested community to interact, ask questions and provide comments using their computer, cell phone or landline telephone. The virtual meeting will focus on current remedial actions at the site and the upcoming cleanup options study for the northern areas of the site, including site-wide groundwater. All interested persons are encouraged to attend the virtual meeting. See specific details below on how to participate and/or listen in on the meeting.

### Access to the virtual meeting (if no computer camera or microphone, then call-in is required)

- For computer users: Access the meeting at <https://call.lifesizecloud.com/12439877>
- For cell phone users who have downloaded the free application: Access the meeting at <https://skype.lifesizecloud.com/12439877> or just use extension 12439877
- For cell phone and land line users who are calling in: Access the meeting with phone number (877) 422-8614, meeting extension 12439877#

### Meeting Agenda

- Introduction to the meeting format and agenda.
- Brief introduction and overview for the remedial action(s) completed and currently underway for the former Arimetco operation.
  - Specifically, pond construction, ore pile regrading and capping, waste rock regrading, and Weed Heights sewer pond relocation, approved under the current remedy.
- NDEP will also introduce the risk assessments, cleanup options study for the site (including groundwater), and the next remedy completion timeline for the northern portion of the site.
- Public questions can be submitted to [acms@ndep.nv.gov](mailto:acms@ndep.nv.gov).
