**Volkswagen settlement provides funds for  
mitigation projects in Nevada**

CARSON CITY, NV – The Nevada Division of Environmental Protection (NDEP) is planning two public outreach events to receive public input on priorities, guidelines and criteria for Nevada projects to mitigate the effects of nitrogen dioxide (NO<sub>x</sub>), gases from diesel vehicles that affect air quality, especially in heavily populated areas.

Categories eligible for funding include school and transit buses, airport ground support equipment and freight trucks.

**Washoe County**

**When:** Monday, January 22, 2018 beginning at 6:00pm

**Where:** University of Nevada, Reno - Joe Crowley Student Union Room 402

1664 N Virginia St

Reno, NV 89557

**Clark County**

**When:** Tuesday January 30, 2018 beginning at 5:30pm

**Where:** Clark County Library - Jewel Box Theater

1401 E. Flamingo Rd.

Las Vegas, NV 89119

Additional information about eligible categories and Nevada's mitigation plan can be found at

<https://ndep.nv.gov/air/vw-settlement>.
