OWYHEE CONSERVATION DISTRICT
ANNUAL PLAN OF WORK
2022 FISCAL YEAR
July 1, 2021 TO June 30, 2022

The following constitutes the Owyhee CD Annual Plan of Work for fiscal year 2022.

Mission Statement

The function of the Owyhee Conservation District is to take available technical, financial, and educational resources, whatever their source, and focus or coordinate them so they meet the needs of the local land user for conservation of soil, water, and related resources.

Planning and Service

Provide for involvement of other agencies, organizations, and individuals in the annual planning and implementation of district operations and programs.

1. Identify and prioritize resource concerns within the District in order to coordinate with the NRCS in resource planning and program implementation.
2. Continue cooperation with the NRCS on the snow survey program. Continue efforts to install an automated aerial marker near the Van Norman Ranch and Indian Creek.
3. Provide support for the Farm Bill Programs.
4. Continue cooperation with all agencies on water quality problems when identified within the District.
5. Encourage the NRCS to develop Order 2 soil surveys on irrigated and intensively used lands and to complete soil surveys on USFS lands.
6. Provide technical assistance to land users on planning and implementation of conservation practices.
7. Assist NRCS on outreach programs to insure that all land users are aware of available assistance.

Noxious Weed Program

1. Continue the Noxious Weed Control Program within the District.
2. Implement a record keeping system using GPS to track weed spraying efforts.
3. Continue rehabilitation projects along county road right of ways where weed spraying has been successful. (i.e. from Mori Ranch going north and along Tuscarora roadways.)
4. Work with BLM and USFS to continue weed management.
5. Participate in the Humboldt River Watershed Cooperative Weed Management Area with their cooperative efforts related to noxious weed control program.
6. Coordinate with the Nevada Division of Forestry on the Tuscarora Fuels and Weed Management Plan and implement practices within the plan.

Equipment Program

1. Provide a district equipment program that will benefit cooperators in implementing conservation practices.

Information and Education Program:

1. Sponsor interested participants to the annual Range Camp.
2. Provide assistance to schools within the District on conservation education as requested.
3. Continue scholarship program for students within the Owyhee CD.
4. Support the University of Nevada College of Agriculture, Biotechnology, and Natural Resources.
5. Participate in the elk management plan for western Elko County.
6. Provide input into the local sage grouse management plan.
7. Participate and provide input into the local feral (wild) horse management plan.
8. Support the Nevada Sagebrush Ecosystem Council and participate in projects as funds permit.

Management and Administration:

1. Pay dues to the Nevada Association of Conservation Districts and support the annual state meeting to be held in Winnemucca October 2019.
2. Support National Association of Conservation Districts by paying dues.
3. Hold regular meetings to which all cooperating agencies and public are invited.
4. Contribute to the Elko County Association of Conservation Districts' clerical fund.
5. Submit all reports and financial statements to the Nevada Division of Conservation Districts by their due date.
6. Review Memorandums of Agreements with cooperating agencies each year.
7. Provide representation at NvACD State and regional meetings and other meetings to keep supervisors informed on activities affecting the district and provide input for decision making for locally led conservation.
8. Contact elected representatives as needed for conservation program support.
